No.NIRDPR/CGSD/MDP6/2019

Dear Mr. Arora,

Greetings from National Institute of Rural Development and Panchayati Raj (NIRDPR)!

As you are aware that NIRDPR, an autonomous organisation under the Ministry of Rural Development, is a premier national centre of excellence in the field of Rural Development and Panchayati Raj. Recognised globally as one of the UN-ESCAP Centres of Excellence, NIRDPR builds the capacities of rural development functionaries, elected representatives of PRI's, bankers, NGOs and other stakeholders through inter-related activities of training, research and action-research.

NIRDPR with its mandate of creating ideal ecosystem for sustainable rural development considers grooming of the district level officials with special emphasis on District Collectors/District Magistrates, CEOs of Zilla Parishad, etc. as vital and important and accordingly NIRDPR has launched "**Management Development Programmes on Rural Development Leadership**" for these category of Officers, which has been approved by DoPT. Five such programmes have so far been conducted with very good feedback and outcomes. As continuation of this effort, the 6th in the series is scheduled to be organised during 09-13 December, 2019 at NIRDPR.

The programme strives to ignite the minds of the young rural development leaders at district level who either just entered into early phase of work in the district or already started working in the district, so that they could fully utilise their period of posting for effective sustainable rural development. This also aims at inspiring the young leadership to harness their full potential for the welfare of the people of the district. The programme also sensitises them in appreciating various State and Central rural development initiatives/programmes along with good practices across the country, so that they can emulate/replicate such successful initiatives in their respective areas.

Eminent and inspiring academicians / practitioners with illustrious academic career from across the country who have made noteworthy contribution in the field of rural development will be the resource persons in this MDP on rural development leadership.
