Dated Chandigarh, the 12-1-1976.

Subject :—Continuance of telephone connections at the residences of Officers during suspension period.

Sir,

I am directed to address you on the subject noted above and to state that the question whether officers under suspension may be allowed to retain the Government telephone provided at their residences during the period they remain under suspension has been engaging the attention of Government for some time past. After the careful consideration, it has been decided that since all the amenities such as an office telephone, Government car and services of a stenographer etc. provided to an officer are withdrawn immediately after suspension, the residential telephones provided to such officers be also removed simultaneously.

2. I am to request that these instructions may kindly be brought to the notice of all officers working under them.

3. Kindly acknowledge receipt of this letter.

Yours faithfully,
