D.O. 434/1/LET/ECI/FUNC/ERD-ER/2019
Dated: 13th December, 2019

Dear Madam,

Subject: Special Summary Revision of Photo Electoral Rolls w.r.t. 1st January, 2020 as the qualifying date - Posting of Adequate Staff to fill up vacancies & Ban on Transfers / Postings.

Chief Secretary's Office

Uy. No.: 159125

Date: 12/12/19

As you may be aware the Commission has announced the schedule for Special Summary Revision of Photo Electoral Rolls with reference to 1st January, 2020 with a view to preparing accurate rolls, inclusive of all eligible persons as electors. Further, in the process, names of dead/shifted or otherwise disqualified electors are required to be deleted after following due procedure of law and that too with prior notice to the concerned and particulars of electors corrected and updated. The focus is on registration of new age voters and the missing voter especially in the category of PWDs, gender and other vulnerable and marginalized sections of the society. Defect free and updated electoral rolls are the bed rock of the electoral process.

2. A copy of the Commission's letter No. 23/2019-ERS(Vol.-IV), dated 9th November, 2019 inter-alia containing approved schedule for the Summary Revision of Photo Electoral Rolls with reference to 01.01.2020 as the qualifying date is enclosed for your reference. The CEO shall bring to your notice immediately in case of any change is made in the schedule of Special Summary Revision.

3. Electors Verification Programme:-

Before the actual revision work starts, an intensive campaign for elector's verification, named as Electors' Verification Programme (EVP) will begin. During this campaign, the citizens will come forward and authenticate their electors details or details of their family members registered in electoral rolls through National Voters Service Portal (NVSP), "1950", Contact Centres or other media provided by the Commission. They may also submit application for registration in respect of unenrolled eligible family members or give details of prospective electors. These details will be verified by BLO's house to house visits.

All these activities need to be completed within pre-fixed time lines. It is a massive exercise in which the entire election machinery from CEO/DEOs/EROs/AEROs supervisors to BLOs level takes part.

4. For a smooth conduct of this exercise, it is requested that the following may be kindly ensured: -

(a) **Provision of adequate staff**

All existing vacancies of posts relating to electoral rolls work, like AEROs, EROs and DEOs, if any, should be filled up immediately. The CEO of those State/UT is being directed to bring to your notice the list of vacancies.

The Commission has already issued several instructions for strengthening of infrastructure and deployment of manpower in office of EROs/DEOs and CEO. In view of forthcoming revision in the State provision of additional staff and infrastructure wherever required, may be made in office of the above officers.

If it requires strengthening of ERO/DEO or CEOs office by provision of additional staff in all wings of the same should be provided immediately. Your attention is further invited to ECI Instructions on minimum staffing pattern.

(b) **Posting of substitute officers**

If it becomes absolutely essential to transfer any officer like EROs/DEOs etc, a reference, giving full justification, should be made by State Government in consultation with and through the State CEO for consideration of the Commission. The transfer of AEROs and below level officers/officials including BLOs can be decided by the CEO at his level. This applies to filling up the vacant posts of these categories also. The CEO shall also invariably be consulted while posting substitute officer. The CEO should consult the Commission, where felt necessary.

(c) **Restriction on deployment of certain officials**

No officer/official (i) against whom the Commission has recommended any disciplinary action and the same is pending, or (ii) to whom major penalty has been given as a result of said disciplinary proceeding, or (iii) against whom a serious criminal case is pending in any court of law, or (iv) who was transferred out during any previous revision of rolls or conduct of election for inefficiency or willfully violating the Commission directions shall be associated with work relating to revision of rolls. In case of doubt, the CEO should decide the matter, in consultation with the Commission, wherever felt necessary by him.

(d) **Provision of adequate fund**

Adequate fund for carrying out the revision work should be made available to the CEO.

5. Ban on transfers of officers and staff engaged with revision of roll during revision period (i.e. from date of draft publication to final publication):-

Under the provision of the section 13CC of the Representation of the People Act, 1950 any officer or staff employed in connection with the preparation, revision and correction of the electoral rolls shall be deemed to be on deputation to the Election Commission for the period during which they are so employed and such officer and staff shall, during that period, be subject to the control, superintendence and discipline of the Election Commission. Transfer of officials engaged in roll-revision work during the period of revision adversely affects the work and the quality of revision process. Hence, the Commission has directed that no officials connected with the exercise of revision of electoral rolls like the District Election Officers, Deputy District Election Officers, the Electoral Registration Officers and the Assistant Electoral Registration Officers etc. should be transferred from their places of posting without the prior concurrence of the Election Commission during the period of Special Summary Revision in the State. It is to clarify that during the current round of revision of electoral rolls such ban on transfer and posting would be effective from the date of draft publication of electoral roll i.e. on 30th December, 2019 to the date of final publication of electoral roll in your state. The schedule approved by the Election Commission is enclosed.

The Commission has been getting your full cooperation in all election related matters in the past and expects the same cooperation from you for the forthcoming Summary Revision of Electoral Rolls.

I request you that copies of the instructions issued by you to the concerned authorities in the State in this regard may kindly be sent to the Commission, for its information and record.

With regards,

Yours sincerely,

(DR. SANDEEP SAXENA)

3. The CEO shall go through the schedule and if any minor change in the above schedule is required, a request should be made with full justification to the Secretary/Pr. Secretary in charge of the concerned territorial division in the Commission, for the Commission's approval within seven days from the date of issue of this letter. No change in the schedule approved by the Commission will be permitted, thereafter.

4. Pre-revision activities:-

4.1 As the revision of electoral rolls actually starts with draft publication of electoral rolls, various pre-revision activities are required to be completed well before the actual commencement

of Revision of Electoral Rolls, with the sole intention of achieving high fidelity electoral rolls. Accordingly, the CEOs shall ensure the following:-

- a. No family is broken and all the registered family members are kept in the same section and at the same place,

The list of DSE, logical errors and non-specified photographs will be provided by the ERO-NET team to the CEOs:

4.3. Elector's Verification Programme (EVP):-

(i) The Commission has observed that during general election to Lok Sabha, 2019 and Legislative Assemblies of Haryana and Maharashtra, 2019 and before that many complaints regarding discrepancies and existence of dead/shifted electors in electoral roll were received from citizens/electors and there is a need for correcting and authenticating the demographic details and images for all electors in electoral roll in a campaign mode by further involving the electors to achieve improvement in the health of electoral roll. Accordingly, the Commission has directed to launch a special **Elector's Verification Programme (EVP)** during the pre-revision period before the actual start of summary revision of 2020 in a campaign mode with the help of SVEEP. In this period, the citizens may be encouraged to come forward and authenticate existing elector's details relating thereto, by giving copy of one of the following documents :-

1. Indian Passport
2. Driving License
3. Aadhar
4. Ration card
5. Identity Card for Government/Semi-Government officials.

(ii) The citizens can verify their electoral details through "Voter helpline" mobile app, NVSP portal, by visiting Common Service Centers (CSCs) or submitting a hard copy of filled up forms through BLOs to EROs. Following procedure would be followed during authentication of details of an elector:-

- (a.) If any discrepancy is noticed in the elector's detail, automatic Form 8 will be generated for correction of entries and correct details will be submitted through Form-8.
- (b.) In case of Dead/shifted members, facility of automatic generation of Form-7 would be provided. Form-7 would be filled by a near relative/family member (the applicant along with Form- 7 will also submit a statement intimating that he/she is a near relative/family member of the deceased elector).
- (c.) For registration, un-enrolled eligible elector will be given facility of filling up of Form -6.
- (d.) Details of prospective voters will be collected during the programme for keeping the same in database, therefore, would not be any provision for auto generation of Form-6 in such cases.
- (e.) PWD electors will be given facility through Voter helpline No. 1950 to give their details.

(iii) As CSCs are to be used by the citizens for verification of their electoral details during **Elector's Verification Programme (EVP)**, it shall be ensured that authentication facilities are available at CSCs. Wherever number of CSCs are not sufficient enough, necessary steps shall be taken to strengthen and improve the coverage of the CSCs and widely publicize the list in local area.

(iv) BLOs will simultaneously verify the details furnished by the electors during authentication and they will also collect the details from other electors who have not authenticated their details. Both the activities i.e. collection of information/details of electors through crowd sourcing and H2H verification by BLOs for authentication and collection of information/details would be run simultaneously.

(v) Commission's guidelines on Elector's Verification Program (EVP) issued vide letters cited under reference (copies enclosed) after suitably amending the timeline provided therein, in accordance with the schedule for EVP in your State, shall be scrupulously followed.

A new Polling Station shall be created only after rationalizing the sections to the adjacent Polling Stations to the possible extent.

(ii) Other objectives of rationalization of polling stations are to group all the family members and neighbors in a section and maintain uniformity of addresses in ER and EPICs.

(iii) For proper formation of Sections the following units may be formed:-

The fields marked with (*) should be mandatorily mentioned in the elector's details, while the remaining fields may be taken as optional fields and be included wherever necessary (like in urban areas). The CEO/DEO may include the other fields in the mandatory category as prevalent in the State/District. Where no House no. as given by the Panchayat/Municipal Authorities is available, the notional number will be given in the roll. In such case, it will be invariably indicated that the House no. is notional. The mandatory address fields will be mentioned in the electoral roll and the same will be reflected as it is in the EPIC of the elector.

(v) The electors will be arranged in the roll in sequence, according to the House no. (and Floor no. of the building).

(vi) While creating a new polling station or re-organizing the existing polling stations by creating/merging/ attaching sections to the adjacent polling stations, the fulfillment of following conditions should be ensured:

Besides, list of all claims and objections received should be put up on the website of CEO so that citizens are able to see the list and lodge objections with the concerned ERO. In addition to this adequate publicity should be given by CEO to the fact that list of claims and objections is available on his/her website and objections can be raised before the EROs based on this list. This should also be informed to the political parties by holding meetings with them and sending written communication to them.

6.2 List of claims and objections should be made available by ERO to all political parties on weekly basis. For this purpose, the ERO should call a meeting of all political parties on regular interval and personally handover list of claims and objections to them and obtain acknowledgment. It is to be added that the list should be incremental instead of cumulative.

7. **Decisions on Claims and Objections** - Decision on claims and objections should be taken only after all of the following conditions are complied with -

- (i) At least seven clear days' period has passed after list of claims and objections has been published on all of the following -

 - (d.) A personal notice has been served on the person whose name is proposed to be deleted in cases other than death cases.

- (ii) At least period of seven clear days has passed after furnishing the list of claims and objections to political parties.

8. Procedure of Deletion:

8.1 Repeat/Multiple Entries: In repeated / multiple entries reported by individual citizens, BLAs of political parties and RWA representatives, the field verification must be done in each and every case. Name of the elector to be deleted in electoral roll only at the place where he is not found to be ordinarily residing, after receiving Form -7 from the elector himself.

8.2 Demographically Similar Entries (DSEs), Permanently Shifted and Deceased:

(i) Confirmed cases of DSEs, Permanently Shifted and Deceased may be removed only after Form -7 is received from the elector (in case of DSEs, Permanently Shifted) and near relative/family member (in case of deceased). Notice must be served to the concerned person for removing the entries.

(ii) The Commission has directed that in all cases of deletion, notice of proposed deletion of names of electors shall be given in a local daily newspaper. Action for deletion of such names should be taken only after expiry of 7 days from the date of publication of notice in the said local daily and on the basis of response on notice, if any, received from persons concerned.

8.3. Safeguards against wrongful deletions: -

Following safeguards will be used to prevent wrongful deletions of electors from electoral roll:-

- i. In case of registered death, deletion shall be made only after proper verification/production of death certificate etc.
- ii. Provision in ERO-Net will be made available wherein all the orders of deletions passed by the AEROs/EROs shall be verified by the Dy. DEOs/ DEOs before making it available in public domain and to give effect in electoral rolls.
- iii. To avoid wrongful deletions, deletions on the ground of death and shifting will be made only when Form- 7 is received.
- iv. While making field verification, BLOs shall give specific remarks in report on the status of shifting/death as the case may be.
- v. For deletion on the ground on shifting, either Form- 6 or Form- 7 from the concerned elector will be taken. Before addition at new place, the ERO will confirm that the elector was actually enrolled at the previous address and he bears the same name as given in Form- 6.
- vi. BLO report will be necessary for deletion.
- vii. In all cases of proposed deletions through Form-7, notice except death cases must be issued to the elector concerned and must be duly served on him. In cases where the elector is not found living at the address in the electoral roll due service of notice

must be done by affixation on the wall in the presence of at least two witnesses whose signatures should be obtained on a copy of notice and kept in the file by the Electoral Registration Officer so as to ensure that provisions of rule 21A of the Registration of Electors Rules, 1960 for giving reasonable opportunity of hearing to the person concerned are duly complied with. Only in the case of death, a death certificate or statement of relatives, friends or neighbours can be accepted in lieu of the proof of due service of notice.

- viii. All deletions except those done on the ground of death should be verified by an officer not below the rank of Tehsildar/Deputy Tehsildar before final order is passed on Form 7 and 10% of total deletion (randomly picked by system) should be verified by field visits.
- ix. All cases of deletions must be cross verified personally by Electoral Registration Officer if they fall in any of the following category:-
 - a) Deletions in polling stations where the number of deletions exceed 2% of the total electors in the voters' list of the polling stations.
 - b) Deletions where the same person is the objector in more than 5 cases.
- x. Cases of deletions other than those made on the ground of death should be cross verified by Supervisors, AEROs and EROs before passing the orders.

9. Supervision and Checks by Supervisor/AEROs/EROs:-

9.1 For the purpose of improving health of electoral roll, the Election Commission has emphasized the need of field verification by the Booth Level Officers. As per the normal practice being followed, the Electoral Registration Officer, after digitization of claims & objections received by him, deputs Booth Level Officer concerned to make field verification in connection with the claim or objection. The Booth Level Officer after on spot verification submits his report to the Electoral Registration Officer.

9.2 There is a mechanism for supervision and check for enforcing strict accountability of the work performed by the Booth Level Officers. The Supervisor who normally has 10 Booth Level Officers under his charge shall verify 5% of each of the Booth Level Officer's verification work under him.

9.3 Above the Supervisors, each Assistant Electoral Registration Officer should verify 1% of the BLO's verification work, randomly selected from different parts under him. Assistant Electoral Registration Officer shall field check households with more than 10 electors; abnormal gender ratio, and the first 20 polling stations with highest number of additions or deletions, under his charge. Assistant Electoral Registration Officer should also separately field check 1% of the additions and deletions, giving focus on such part of electoral rolls where proposed addition of electors is 4% over previous electoral roll. Both, accepted as well as rejected cases, should also be checked in those cases.

9.4 Electoral Registration Officer shall test check the quality of disposal of claims & objections by his Assistant Electoral Registration Officers. He shall check 10% of the Forms disposed by Assistant Electoral Registration Officers. Field verification should be carried out where felt necessary. Electoral Registration Officer shall hold regular monitoring meetings with Assistant Electoral Registration Officers, Supervisors and Booth Level Officers and ensure that the work is not being done in perfunctory manner. Delinquent officials should be taken to task and corrective measures taken swiftly because ultimately the accountability stops with Electoral Registration Officer and the Electoral Registration Officer is responsible for delivering an error free roll.

10. Super-checking by Dy. DEO/DEO/ Roll Observer/CEO:-

10.1 After passing the orders by AERO/ERO, super-checking of verified entries will be done by the Dy. DEO, DEO, Roll Observers and CEO for specific number of entries as randomly selected by ERO-Net. The number of entries to be verified by Dy. DEO, DEO, Roll Observers and CEO are as under:-

- i. *Verification of 100 entries (40 additions+ 40 deletions + 20 modifications) in the District by Dy. DEO. Out of these 100 entries, field verification must be done in a minimum 10 entries. The entries to be verified by the Dy. DEO by table top exercise as well as field verification will invariably include the entries already verified by Supervisors, AERO and ERO. . .*
- ii. *Verification of 50 entries (20 additions+ 20 deletions + 10 modifications) in the District by DEO. Out of these 50 entries, field verification must be done in a minimum 5 entries. The entries to be verified by the DEO by table top exercise as well as field verification will invariably include the entries already verified by AERO, ERO and Dy. DEO.*
- iii. *Verification of 50 entries each (20 additions+ 20 deletions + 10 modifications) in the assigned Districts by Roll Observer. Out of these 50 entries, field verification must be done in a minimum 5 entries. The entries to be verified by the Roll observer by table top exercise as well as field verification will invariably include the entries already verified by AERO, ERO, Dy. DEO and DEO.*
- iv. *Verification of 500 entries (200 additions+ 200 deletions + 100 modifications) in the state by the CEO. Out of these 500 entries, field verification must be done in a minimum 25 entries. The entries to be verified by the CEO by table top exercise as well as field verification will invariably include the entries already verified by Dy. DEO, DEO and Roll Observer.*

10.2 In case of lapse on the part of any electoral officer responsibility shall be fixed within 7 days.

10.3 For application for fresh registration from applicants above 21 year, declaration or EPIC number will be collected invariably.

11. Flagging of marked electors viz. MP/MLA/MLC, holders of declared offices and personalities from fields of arts, culture, journalism, sports, members of judiciary and public services etc.:

Electoral Registration Officers shall ensure that the names of all Members of Parliament and the State Legislatures, holders of declared offices, personalities from fields of arts, culture, journalism, sports, members of judiciary and public services are there in the proposed draft electoral roll. To avoid wrongful deletions of the names of such electors in future appropriate flagging should be done in the electoral database.

12. **Flagging of Persons with Disabilities (PwDs) in Electoral Database:** As Form-6 for enrolment in electoral roll has an optional field for giving information about disabilities, the Commission has directed that all the cases of PwDs electors who have given such information in Form 6 should be flagged in the electoral database along with category of disability so that they can be provided necessary facilities at the polling station at the time of poll. It is made amply clear that such information of disability should not be reflected in electoral roll in any way. Chief Electoral Officer concerned should rope in the concerned department in the State dealing with persons with disabilities to get their assistance in mapping Persons with Disabilities. Chief Electoral Officer, if he feels it necessary, can utilize services of BLOs during H2H visits for collection of such data of PwDs from electors, who are willing to disclose their disabilities. Weekly progress report in this regard may be sent to Secretary/Principal Secretary in charge of the State to review the weekly progress.

13. The Chief Electoral Officer may also designate his own team or request the Election Commission to depute team for further state level checks as felt necessary. Ultimately it is for Chief Electoral Officer to seek the Election Commission's approval to publishing of rolls and for this the Chief Electoral Officer shall give a detailed report on state wide health check of the rolls in the prescribed formats (Format 1-8), deviations noticed, remedial action taken etc. The Chief Electoral Officer shall also furnish an account of the checks maintained and supervision undertaken during the roll revision process and give a certificate on his/her satisfaction on the quality of roll.
