

Copy of letter No. 53/52/80/3 PP dated 4-7-80 from the Chief secretary to Government, Haryana to all Heads of Departments, etc., etc.

Subject :—The Mother's Birth Centenary Celebrations Committee, Punjab, Haryana and Himachal Pradesh and Chandigarh-Participation of IAS officers.

I am directed to address you on the subject cited above and to say that for sometime past, the State Government have had under their consideration the matter regarding the participation of state Government Officers in the aforesaid Committee. After careful consideration, it has been decided since this institution does not appear to be connected with any caste, creed or community, in as much as its avowed objects are educational, ethical and spiritual, therefore, there should be no objection to officers of the State being associated with its activities including setting up of libraries and buildings and bringings out publications etc. However, the officers will of course, not associate themselves with any fund collections.

2. These instructions may please be brought to the notice of the concerned officers of the State for information and compliance.

Yours faithfully,
