Subject :—Writing of Confidential report by reviewing/accepting authority/authorities—regarding.
Sir,

I am directed to invite your attention to para 8 of the consolidated instructions regarding Confidential Reports, according to which if remarks on the work of an officer are not recorded by a reporting authority at the time of relinquishing the charge of his post or immediately on the transfer of his subordinate(s) within a reporting year (i.e. from 1st April to 31st March of the year), then it is obligatory for the officer maintaining the annual confidential reports that when the annual confidential reports are being written at the end of the year he should ask them (except the officers who have already retired) to record their remarks on the confidential reports of those officers/officials in respect of whom these authorities are the initial reporting authorities. The said instructions are however silent as to who among the officers in the capacity of reviewing/accepting authorities is to report upon the work of a subordinate officer/official, if more than one such officer had seen the work of the officer or official reported upon during a particular year. I am to clarify that in such cases remarks are to be recorded only by that reviewing/accepting authority who may have last seen the work of the officer/official reported upon in the reporting year for at least three months.

3. These instructions may kindly be brought to the notice of all concerned for strict compliance. The receipt of this communication may kindly be acknowledged.

Yours faithfully,
