Dear Shri Kumar,

Vijayendra Kumar, IAS
PSGA

As you may be aware, the Government has its prime focus on optimizing efficiency of the movement of goods and people across the country. National Highways Authority of India (NHAI) is one of the nodal agencies responsible for building, upgrading and maintaining most of the National Highways network. It has been entrusted with National Highways Development Project which along with other minor projects has vested in it 50329 Kms of National Highways for development, maintenance and management.

2. In order to complete the projects on time, Land Acquisition is an important pre-requisite step without which the project cannot be started. To accomplish the task of land acquisition in a time bound manner, NHAI is looking for experienced officers having experience of land acquisition/revenue matters in the state and has invited applications for filling up of 2 posts of GM (LA&EM) in PB-4, (Rs.37400-67000) with Grade Pay Rs.8700 (pre-revised in CDA pattern, equivalent to Level 13 of Pay Matrix as per 7th CPC) or equivalent in IDA pattern in the parent cadre / department to be engaged on deputation basis in the NHAI on terms and conditions as stated in NHAI RRs. A copy of eligibility criteria prescribed for the post of GM (LA&EM) are enclosed. The detailed advertisement can be accessed on the NHAI website (www.nhai.gov.in) under the heading 'vacancies'.

3. May I request you to circulate the above vacancy position in the concerned departments/offices and also nominate officers meeting the eligibility criteria.

With the best wishes

Sh. R.K. Pandey
