Subject :—Accountability of Govt. Employees wilful omissions and genuine errors

Sir

I am directed to address you on the subject noted above and to state that in the Chief Secretaries' Conference held at Delhi in Feb., 1985, it was, inter-alia, recommended by the Conference that goal-setting accountability and delegation should go hand in hand and that genuine errors should be differentiated from careless and wilful omissions. The State Government have accepted this recommendation. This may also be brought to the notice of all senior officers of your Department for effective implementation.

Yours faithfully,
