I am directed to refer to this department letters noted in the margin (copy enclosed) on the subject noted above and to say that in the Administrative Secretaries meeting held on 6-2-89 under the Chairmanship of the Chief Secretary, it was again emphasised that for providing clean administration to the public the rules and procedure may be simplified with a view to minimise the scope of corruption and to avoid harrassment. Steps taken in regard to simplify various rules and procedures pertaining to your department in the light of above instructions may kindly be intimated urgently so that the position can be reviewed in the next meeting of the Administrative Secretaries.
