Subject: - Regarding bogus anti-corruption agencies.

.....

Sir,

I am directed to invite your attention on the subject noted above and to say that a number of bogus and spurious so-called anti-corruption agencies have come up in many places in the region claiming to work for eradication of corruptions. While there are some genuine NGOs (Non Government Organizations) doing very good work in fighting corruption and malpractices, a large number of these are actually indulging in black/mailling and slandering officials with a view to extract money. One such organization which has recently come to notice is "All India Anti Corruption Front" Head Office, 666/5 Haqueekat Nagar, Jind, Haryana with its office bearers i.e. Surinder Bhatti, District President, Sirsa and Rajinder Jast, Vice President, Sirsa and Sohan Lal Midha, District Secretary, Sirsa. A check with the local State Vigilance Bureau unit has revealed that the signatories to the memorandum and article to the organization are all bogus. It is, therefore, requested that in future all complaints received from the above organization may be ignored.
